With **Lookit Design QuikSite™ For Lawyers**, you can establish a web presence for your firm without taking up a lot of your valuable time and energy. In today's market, a **professionally designed** website is a crucial element in the credibility **essential to any law practice**. Still, many smaller firms feel they don't have the time or staff to set up and maintain a suitably **attractive and reliable site**. Lookit Design created QuikSite For Lawyers precisely to address such concerns.

Just select one of the designs featured in our library, then have us **customize** it according to your preferences, including **colors, fonts, and images** to promote your firm's brand identity. We'll also set up your **domain and email**, and provide **hosting and support** so you can avoid technology worries and maintain your focus on client work. Once your site is launched, we optimize it for **Google searches** so your firm's name appears prominently in search listings.

Lookit Design offers additional services to perfect your site and attract new customers. Our **web copyediting** service can fine-tune the content you supply for the specialized field of Internet communications. And we can maximize its impact with a variety of **site promotion** services, including **online advertising** and **email campaigns** to draw in more work from your clients and contacts.

QuikSite starts at **\$995 for a 5-page site**, plus \$19.95 a month for managed hosting. Additional pages are \$99 each. **Please contact us at 718-434-2143 or sales@lookitdesign.com to discuss your firm's site.**
